(717) 232-1033 csdoors.com

A large, modern house with a blue roof and three brown garage doors. The house has white siding and three dormer windows. The garage doors are brown with a wood-grain finish and small windows at the top. The house is set on a paved driveway with a large tree in the background.

First Impressions Matter

Imagine, Install & IMPRESS

An entryway is the first impression of your home. Central State offers a variety of energy efficient and timeless designs to compliment every home. Enhancing your homes appearance while improving on heating and cooling costs is easier and more affordable than you might expect. With nearly **80 years in the door industry**, we offer only the finest brands and designs to fit your unique style and budget. Our team is equipped with a mobile showroom featuring an array of real door samples. Our Imagination System Technology will superimpose doors onto a digital image of your home to assist you during the selection process! Start your home transformation with garage doors designed to match our entry and storm doors.

Additional CSDoors Quality Products & Services

Electric Openers & Accessories | Retractable Awnings | Jamb Replacements | Planned Maintenance

The Difference is in the Details

Superior Service

Our company culture is to Exceed Expectations. Our team strives to be the ultimate door experts to provide you with superior service. To deliver on our promise, we invest in our people through training at our own Central State University. From installation & service training to customer care, we are prepared to serve you. Expect a pressure-free, honest approach for both design and technical recommendations. When you need annual Planned Maintenance or repairs, we are prepared with same day or emergency services 24/7/365. Our service fleet is stocked with over 95% of door and electric opener parts and accessories.

A Sound Investment - 98% ROI

Investing in a new Garage Door System is a sound investment and is rated the #1 Home Improvement Project ROI, again! Cost Versus Value Report reaffirms the value of garage door replacements at nearly 32% higher return on investment than the average home improvement projects.

CENTRAL STATE
DOOR SERVICE

Trusted for Generations

You'll be amazed by the commitment of our people to exceed your expectations. We listen first before speaking and tailor our suggestions around your needs to provide you with sound options for exceptional results. With nearly 80-years under our belts, you are sure to receive expert installation and service performed by a friendly, well-trained, certified technician who's **#1 priority is your satisfaction.**
